

## Ingrédients d'origine animale

CI 75470 (carmin)  
CI 77267  
mustela  
pearl powder  
Serica, silk  
marine collagen  
collagen, hydrolyzed collagen, connective tissue extract, sus (skin) extract, scillii pellis extract  
elastin, elastinate, hydrolyzed elastin.  
oyster shell extract  
sodium tallowate  
chitosan  
cholesterol, collagen, gelatin, lard, nacre powder, aorta extract  
cera alba, beeswax  
lanolin, acetylated lanolin, hydrogenated lanoline, lanolin, -lanolate, lanolinamide.  
whey protein et lactis proteinum  
caprae lac  
lactis asinus  
propolis  
Sine adipe lac  
Mel, honey  
keratin, -hydrolyzed keratin (phytokératine ou kératine végétal = vegan)  
struthio oil  
dromiceus oil  
marmota oil  
fish oil  
fish glycerides  
piscum lecur oil  
gadi iecur oil et morrhuate  
brevoortia oil  
hoplosthetus  
thunnus extract  
pisces extract  
piscum  
sepia extract  
thymus extract  
mammarian hydrolysate  
mammarian extract  
udder extract

heart extract  
spleen extract  
stomach extract  
testicular extract,  
serum extract  
umbilical extract  
brain extract  
neural extract  
liver extract  
embryo extract  
marrow extract  
muscle extract

## Ingrédients douteux

- glycerin
- lecithin
- glyceryl stearate (citrate), glyceryl isostearate, isopropyl isostearate, glyceryl/polyglyceryl-6 isostearate/behenate esters
- sodium hyaluronate
- squalene, squalane, squalene, pentahydroxysqualene, squali lecur oil
- threonine
- tocopherol
- stearyl heptanoate
- hydrolyzed keratin
- parfum
- lecithin
- allantoin
- chondroitin
- lactic acid
